## Shri Vijaybhai R. Rupani

Hon'ble Chief Minister of Gujarat

Chief Minister urged farmers to practice drip irrigation for achieving better output. Gujarat has been a forerunner in agricultural production and farmers can cultivate crops and vegetables based on the requirements of international market for better returns. The CM further added that the state government is constantly on its toes to double the income of farmers by 2022 as envisioned by Prime Minister Mr. Narendra Modi. Talking about irrigation facilities, the CM said that the waters of Narmada have reached to Saurashtra and North Gujarat which has enabled farmers to cultivate 3 crops at a time.

## Shri Narendra Singh Tomar

Hon'ble Minister of Agriculture & Farmers Welfare & Cooperation - Government of India

Gujarat has been able to lead India from the front due to the visionary steps and policies of Prime Minister Mr. Modi during his term as the Chief Minister of the state. Mr. Tomar said that the budget for Ministry of Agriculture was Rs.1 lakh 64 thousand crores between 2014-19 compared to Rs.87 thousand crores in 2009-2014. The mission of 'Jai Javan Jai Kisan' as envisioned by Former Prime Minister Late Mr. Atal Bihari Vajpayee is being carried forward by Prime Minister Mr. Modi with the motto of 'Jai Javan Jai Kisan Jai Vigyan'. The contribution of farmers will be instrumental in making India a 5 trillion dollar economy. In addition to cultivating crops, the farmers should also focus on animal husbandry, apiculture, horticulture etc.

**Companies Participated: 250+**

**Farmers visited the exhibition: 1, 00, 000+**

Agri Asia has served as a platform for bringing together many foreign as well as national visitors from 20 + countries to interact with the leading international agriculture technology companies.

The Agriculture expo, held once in a year, is one of the leading international Agriculture Events of its kind to showcase international agriculture technologies. This Agriculture Exhibition in India traditionally attracts many Ministers of Agriculture, decision-makers, experts, practitioners and trainers in agriculture, as well as thousands of visitors from all around the globe.

Agriculture plays a vital role in India's economy. Over 58 per cent of the rural households depend on agriculture as their principal means of livelihood. Agriculture, along with fisheries and forestry, is one of the largest contributors to the Gross Domestic Product (GDP). As per estimates by the Central Statistics Office (CSO), the share of agriculture and allied sectors (including agriculture, livestock, forestry and fishery) was 15.35 per cent of the Gross Value Added (GVA) during 2015-16 at 2011-12 prices.
